

THE PAFCU REVIEW

August 2018

WHAT'S NEW?

The Colonial Heights branch is getting a facelift! This means that the lobby will be CLOSED August 13th-August 17th, but the drive thru will still be open.

On July 6th, PAFCU staff attended our annual "Family Fun Day" at the Flying Squirrels game! It was an excellent time and strengthened the staff's morale.

On July 13th, PAFCU had our one day only, Friday the 13th Anything Loan! We booked over 100 loans, that's a lot of lives changed! Stay tuned for the next anything loan offer.

Natasha Jones is the newest Reliable Rides member! Congratulations Natasha, we hope you love your new ride! PAFCU partners with Enterprise car sales to get our members the BEST deals for the BEST vehicles!

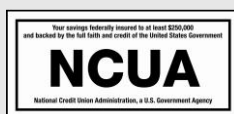

On July 20th, PAFCU staff and members helped raise \$273.50 at our annual Anthem Lemonade Stand Fundraiser. Thank you to everyone who helped make this possible!

Virginia Blood Services was on site for blood donations on July 27th at the Petersburg location. Thank you to everyone who donated!

Pat Barker was our employee of the month! She did an excellent job as our only Loan Processor for an extended period of time, and never complained one bit!

Becky Benson was the winner of our most spirited award for always remaining upbeat and positive, no matter what the day throws at her.

OUR TWO CENTS

It has come to our attention that our members are being contacted by individuals claiming to be from the credit unions fraud department. They are making it appear as if they are calling from our office phone number, 804-748-3081. If you are truly being contacted by our fraud department, the numbers will be as follows: 800-279-2674 or 800-262-2024. These scam artists are asking for personal information including our members pin numbers. Our fraud department never asks for your pin number, the only one who should know this number is you. If you have already given someone your pin, please call 800-992-3808 to reset it as soon as possible. If you are unsure about a phone call claiming to be from PAFCU, please hang up and call or email us immediately.

Fraud is more prevalent now than it ever has been. Here are a few helpful tips to avoid becoming a victim of fraud:

1. Don't enter your payment card or account numbers in an unsecure website (yes, this includes Facebook and Instagram!)
2. If someone offers you a job and wants you to cash a check for them and then wire them the money, this is almost always a scam. They could take your funds and you will be responsible for the amount of the fraudulent check.
3. If you receive a check in the mail and you do not recognize where it is coming from, this is most likely a fake check, or a phony financial company.
4. If a website is offering you a *free* deal, but still asks for your payment method, use caution. *Free is free!* You shouldn't have to pay for anything!
